MILLBROOK RESORT

This alpine home in Millbrook Country Club radiates warmth, epitomised by the glowing cedar cladding in the sunlit living and dining pavilion. A subtle French feel adds to the charm of this characterful, energy-efficient Central Otago cottage, made modern thanks to beautifully considered design.

Well angled for spectacular views and sunshine year-round, the 383sqm home is also planned for privacy. Its striking palette of materials is in tune with the environment. A floating kitchen island and concrete fireplace beckon as great gathering spots, with easy flow to alternative alfresco dining options.

The sleeping pavilion comprises two impressive rooms, each with its own ensuite and walk-in wardrobe. The master bedroom's master stroke is a bay window with built-in daybed. A media room/study and a powder room round out this wing. A loft with bathroom comfortably sleeps six above the big garage.
